4 Bed 2 Bath Townhouse in Salinas. We are proud to offer for sale this lovely townhouse in Salinas, near Sax, ideal as a lock up and leave, or permanent living.

With a good sized communal area, gas supply, mains water and electricity, this would work well as a holiday home, with local shops, bars, restaurants etc being walking distance. With Salinas being a quiet town, this is an ideal place for those wanting to avoid the crazy coast!

The house is very traditional in its layout, with the large lounge, good sized kitchen and utility room being on the first floor, and the 4 bedrooms and family bathroom being on the upper floor.

We recommend watching the video on this house to get a further idea of the layout of the home.
