We offer for sale, this large townhouse, with garage (was previously used as a shop) in the heart of the town of Sax. Currently in need of quite a lot of work, this would make a fantastic family home, or even a potential business and home together, if you wanted.

The property has been empty for a long time, and as such, it does require a full strip and rebuild to make the best of the house, although a good DIYer may be able to make this a liveable project.

Note, one room does have a large crack running through it, and we would recommend that this is checked by a competent builder/surveyor/architect for your own peace of mind before any purchase.
