A real gem of a property. Townhouses of this quality rarely come on the market. This is a recently redecorated 3 bedroom townhouse located within walking distance of the wonderful village of Castalla. It also has fantastic views of Castalla Castle. The property comprises 3 bedrooms, 2 bathrooms, kitchen, pantry/utility room, lounge and dining room. The kitchen has been refurbished and has plenty of fitted wall and floor cupboards as well as a new oven and hob. Just off the kitchen is another room which could be a pantry or even a utility room. The kitchen is accessed via the dining room.

Up a few stairs you reach the lounge and one of the bedrooms. All have good views of the castle or surrounding countryside. Up a few more stairs you reach 2 further bedrooms and a newly fitted very modern family bathroom.

On this level there is a back door leading out to a small open patio area. In front is the natural landscape which forms part of the castle grounds.

Castalla is a wonderful traditional village steeped in history. There are many fiestas where the locals welcome everyone.

Castalla has numerous bars, restaurants, supermarkets, craft shops, fabulous sports facilities and a medical centre offering a 24 hour emergency service.

This property has much to offer and needs to be seen to be fully appreciated.
